

Nursery Policy

Nursery Guidelines:

Ages: 3 months-3 years

As a general rule, the nursery will serve up to 5 children per nursery staff. (This number could vary based on the ages of children in the nursery.) Families will be served first come, first served.

Nursery hours: Dependent on Sunday schedule. Hours will include choir rehearsal, Worship, and Fellowship/Sunday School.

Toys will be sanitized, and gloves will be used during diaper changes.

Parents responsibilities:

Food/Drink are not allowed in the nursery. Exceptions will be made for children under 12 months of age where bottles will be allowed.

For children that require diapering, all diapers/wipes must be supplied.

We ask that children who have been ill within the past 24hrs, or currently have a fever over 101 degrees, refrain from using the nursery.

We ask that children limit/avoid bringing in personal toys.

Parents must have access to someone with a cell phone (**set to vibrate**) for the time that their child(ren) are in the nursery.
