

## WORSHIP UPDATE

SATURDAY, MAY 1, 2021

### SUNDAY ONLINE WORSHIP

#### *Physically Distanced, Spiritually Connected*

Easter lasts for several more weeks. The three readings for this Sunday continue the unfolding of the meaning of the resurrection: the loving community formed by God's love is depicted with the metaphor of the vine and exemplified in the welcome to the Ethiopian eunuch. the gospel reading describes believers as branches of the one vine, who is Christ. Come to worship, and so be connected with all the other branches. Pastor Joanne will be preaching.

## THE SOURCE OF SCIENCE AND FAITH

Friday, April 30, 2021

As Lutherans we believe that science and religion come from the same source and that source is God. Religion and science are both ways of knowing God's creation. Receiving the COVID-19 vaccine does not mean we are being less than faithful by trusting science rather than God.

You can view Presiding Bishop Elizabeth Eaton's entire video **HERE**.
