WE NEED YOUR HELP TO BUILD SCHOOL KITS

Education is one of the strongest tools a community has for breaking the cycle of poverty. Ensuring that girls attend school, especially in places where their access is deprioritized, has even stronger results. Lutheran World Relief (LWR) School Kits contain essential supplies to help children — and in some cases, adults — continue learning in the face of serious obstacles. That learning leads to a better life for them, their families, and their communities.

Whether you make one or a few, each kit you make will be cherished by the person who receives it. Check out the School Kit requirements, guidelines, and tips and be sure to join our LWR Quilters and Kit-makers Facebook group to learn, share, and fellowship with others who are putting their faith into action making School Kits.

SOME IMPORTANT GUIDELINES TO REMEMBER

- Please give new items only.
- Please do not donate items with any religious symbols, messages, or your group's name.
- Please do not donate any items decorated with a U.S. flag, patriotic or military symbols, or references to the armed forces, including camouflage.
- Please do not add other items or leave out any of the items listed.
- Please do not enclose the kit or any of its contents in plastic bags.

HOW TO PACK YOUR KITS OF CARE

- Place ruler between notebooks. Place all items neatly into the bag and draw the drawstring together.
- Do not use plastic or paper bags to pack donations.
