

THREE THINGS THURSDAY

THURSDAY, MAY 8, 2025

1—OUTDOOR SPRING CLEAN-UP DAY

This Saturday, May 10, 2025, 9am—12pm—Church Grounds

Volunteers needed! Let's work together to refresh and beautify our grounds for the season.

What to bring: work gloves, rakes, shovels, or brooms, gardening tools (if you have them), and a willing spirit!

Please dress appropriately for outdoor work — sturdy shoes, weather-appropriate clothing, and a hat or sunscreen if it's sunny.

Come for any part of the morning you can spare — all help is appreciated!

2—SANCTUARY DEDICATION & COFFEE FELLOWSHIP

This Sunday, May 11, 2025, 9:30am

You're invited to join us Sunday as we come together in gratitude and celebration for the dedication of our newly remodeled and accessible Sanctuary—a sacred space where hearts are lifted, lives are changed, and faith is deepened.

Following the dedication, we invite you to stay for a special coffee fellowship provided by Our Savior's Church Council in honor of Mother's Day. Enjoy refreshments, warm conversations, and time with our church family as we celebrate the mothers, grandmothers, and nurturing women in our lives.

Let's gather in thanksgiving for the blessings of both our new sanctuary and the loving presence of mothers.

We look forward to celebrating with you!

3—NEW AUDIO/VISUAL FUND ESTABLISHED

We are excited to announce that the Church Council has established a dedicated **Audio/Visual Fund** to support the ongoing maintenance and future upgrades of our livestreaming system. As we continue to expand our online ministry and reach those who cannot attend in person, your support is vital.

This fund will ensure that we can provide a high-quality worship experience for all—both in our sanctuary and beyond. We invite you to prayerfully consider contributing to this effort as we invest in the tools that help us share the Gospel more effectively.

To give, please designate your donation to the "Audio/Visual Fund" on your check or digital giving form. Thank you for helping us enhance our ministry through technology.
